

Sand And Sky Creations

Scari Di Wang
Colors

I do allow reproduction of this item for profit but I ask that you include in your listing:

**“This scarf was knit using Scarf Of Many Colors Pattern
By Simone Van Iderstine of <http://sandandskycreations.com>”**

Please be respectful of my wishes :-)

Yarn: Approximately 400 yards of worsted weight yarn in assorted colors. More if you would like a scarf wider than 4``
This is perfect for leftover partial balls kicking around your stash. Each colored section uses up approximately 25-50 yards of yarn.

Needles: 6.5mm 32`` circular
8.0mm straight needle.

Gauge: 10 sts x 28 rows = 4`` in garter stitch
OR SIZE NECESSARY TO OBTAIN GAUGE

Finished size: 120" in length and 4`` in width

Notions: A crochet hook for attaching fringe (I used a 6.0mm)

Pattern Notes: This garter stitch scarf is worked sideways and makes a VERY long scarf. If you would like a shorter version, cast on 150 sts and work directed.

CO 300 sts with 6.5mm circular needle.

Work 3 rows in garter stitch.

Rows 1 - 2: Break yarn and join a new color of yarn. Work 2 rows in garter stitch

Rows 3 - 5: Break yarn and join a new color of yarn. Work 3 rows in garter stitch

Repeat rows 1 – 5 until your piece measures 4`` from CO edge or until you reach your desired scarf width.

Using an 8.0mm straight needle BO stitches loosely.

You can either sew in ends or add fringe to your scarf.

Fringe

To add fringe, cut several lengths of each color approximately 10" in length. Fold yarn in half so the loop is at the top. Insert crochet hook into the bottom of the scarf, grab the loop of the folded yarn and pull through to the other side of the scarf. Remove the crochet hook and bring the ends of the fringe through the loop. Pull the ends to secure the fringe. Trim ends to make them even.

If you have any questions or comments, I would love to hear from you!
